Please provide a summary of your experience of the 3 day course:

I have been enlightened on how I can use the internet to earn an income and build a successful business. I came to the seminar ~~to~~ without an idea of a business but after the course I have an idea of what market I want to venture into. I have learnt a lot about leveraging the social networks.

I also enjoyed networking with other students during the three days.

1	What was your overall impression of the workshop?	WELL PRESENTED AND VERY INFORMATIVE

Please provide a summary of your experience of the 3 day course:

Extremely pleased I attended the 3 day course. The 3 days more than exceeded my expectations.

I have learnt more ^{condensed} in 3 days than I have studying on my own over the last 6 months.

I think the skills I have picked up over the weekend will certainly create opportunities for the future. Thank you.

1	What was your overall impression of the workshop?	Excellent course - with very valuable content
2	Please comment on any sections that gave you too much information	There was a lot of info but it is what I expected having seen the online version prior to attending
3	Please comment on any sections that gave you too little information	would have liked more info on Affiliate marketing.

Course Delivery	10	Really useful to have different areas of the course delivered by the "expert"

Please provide a summary of your experience of the 3 day course:

This has been an awesome three days. I have "picked up" so many new ideas that are up to date and across so many useful areas which has proven invaluable.

It has been really beneficial to meet the coaches again as well as meet with others from so many 'professions' and network with them. Unreservedly ACE + ticks so many boxes.

A very sincere THANK YOU to all.
